## Can You Ever Have Too Much of a Good Thing?

ABC's powerful, intuitive **FIRSTAnalytics** Key Performance Indicators (KPI) Dashboard helps you quickly understand what's going on and what you need to focus on.

The KPI Dashboard is a set of measures specifically for anesthesia practices. At a glance, the dashboard tells you what you need to know, giving you insight into where you are strong—but more importantly—where you need to focus. It allows you to compare year-over-year or trend/series performance for key measures such as payor mix and options to focus on procedures, cases and even your staff.

## How Smooth is Your Revenue Cycle?

The **FIRSTAnalytics** Accounts Receivable (AR) Dashboard is a set of measures specifically for anesthesia practices. At a glance, the AR Dashboard tells you what you need to know about where and how revenue is generated, and where you may have issues.

The AR Dashboard gives you a multi-year view of your charges, payments and performance trends with in-depth visibility into various aspects of the revenue cycle.

The **FIRSTAnalytics** Dashboards give you actionable insight, real-time. Need more data? The KPI and AR related performance reports give you the ability to drill-down into more detailed data. The **FIRSTAnalytics** suite of dashboards and performance reports give you the knowledge you need to operate your anesthesia practice as an effective clinical organization and successful business.

**FIRSTAnalytics** – The information you need, provided in a way you can use it.
